K. Burge -- RC&D and M Larson --Revitalization met with the Commissioners to discuss a tire amnesty for Keya Paha County. Burge will write the grant and will be back to the May 24th meeting to discuss the details of a location, tonnage and how the tires will be weighed. The grant application is due in late summer, and the county will know if they are awarded the grant in December. Tentatively, if awarded the grant, the county will hold the amnesty in March or April of 2023. The FHWA project, for just over a quarter of a million has been submitted, the county is just waiting for payment. Wyrick reported that Gary Weaver has retired, and Matt Sandoz has replaced him as the Emergency Manager for Cherry and Keya Paha Counties

M. Larson, with the revitalization committee and K. Burge, with the RC&D wanted to finalize plans for the tire amnesty application. Burge stated the deadline that she wants to use for the application is July 13th 2022.
